

COLLAPSIBLE STACKABLE RUSTFREE
REUSABLE RECYCLABLE

OceanPak®

For intercontinental shipments

The collapsible heavy-duty OceanPak® is designed for intercontinental shipments and offers an efficient footprint that optimizes an ISO sea-container.

- weight capacity of 900kg
- collapsible to reduce shipping cost
- ideal for long distance sea freight transportation
- multiple bottom configurations
- easy to clean, rust-free, preventing metal-on-metal part damage with all plastic design
