PRODUCT SPECIFICATIONS

Euro Pallet 1200 x 800

Extremely robust with a long service life

The ORBIS Europe Euro pallets are made of impact-resistant PP using a gas-assist technology which makes them suitable for applications with high rotations. Internal hollow channels, solid runners, double-walled recessed blocks and a durable design – all that leads to a very robust plastic pallet with a long service life.

Overview

- Impact-resistant PP - no metal reinforcements
- One-piece, durable structure for usage in racks
- Popular footprint
- Solid runners and double-walled recessed blocks
- Extremely robust and long service life

OPTIONS:

- Hot stamp
- Bar coding
- Molded-in logo
- Custom colors
